## Responsibilities of a Worker

Christians who are in places of responsibilities in the church are required to be examples in faith, conduct and business affairs. Therefore, the following guidelines will be required of any person who works in any ministry of Calvary Temple Church.

1. Attend faithfully your assigned ministry 30 minutes before the service.
2. Attend at least one other church service other than your assigned area.
3. Attend any assigned meetings held.
4. Give a 30 day notice when resigning your position

I have read and understand the above responsibilities of a worker. If I am selected, I will make a commitment to fulfill these responsibilities to the best of my ability. I authorize Calvary Temple Church to check my references and to verify any information necessary that I have listed on the Ministry Application and Confidential Questionnaire as part of the interviewing process.

Completion of this application does not constitute acceptance of a Calvary Temple Minister. We prayerfully consider all applications and will contact you within 2 to 3 weeks.
